[wife] Honey, are you gonna mow the lawn soon?

[husband] I'll get to it.

[wife] It's getting pretty long... Billy got lost in the yard.

[husband] Well, at least he's learning survival skills.

[wife] When you're done, I'll tell you where I hid the Pizza Patrol Pizza.

[sound FX lawn mower zipping quickly back and forth]

[husband] Done!
